The grievance you submitted is being returned to you due to non-compliance with the Department of Corrections (DOC) Rule #109 (Grievance Review System) for the following reason(s):

An AIC may not submit a grievance representing other AICs, or acts where an AIC is a spokesperson for other AICs (Group Grievance).

A grievance may be up to three pages (single-sided) in length. An AIC must use a grievance form for each page of the grievance. Grievances that are not legible or contain multiple sentences per line will be returned to the AIC for correction.

Please note this issue outlined in your grievance would be more fitting under the Discrimination Rule process. The discrimination rule allows for groups of individuals to be represented were the grievance rule only allows for the writer to be the focus not a group.

291-109-0225 Grievance and Appeals General Processing Standards

(2) Grievances and grievance appeals returned for correction:

(a) An AIC may elect to resubmit a grievance or grievance appeal that has been returned for correction to the AIC because it does not comply with these rules.

(b) The grievance or grievance appeal may only be resubmitted twice and must be received by the institution grievance coordinator within 14 calendar days from when the grievance or grievance appeal was originally returned to the AIC.

(c) If rewritten, the return receipt and original grievance or grievance appeal must also be attached.

If you have any questions regarding your grievance, please refer to the Department of Corrections Administrative Rule "Grievance Review System" tab #109 located in the legal library or kyte your institution Grievance Coordinator.

On Friday Oct. 18<sup>th</sup>, 2019, Chaplain Karvna Thompson violated my 1<sup>st</sup> Amendment Right to practice my Religion, 14<sup>th</sup> Amendment Equal Protection Clause, and my 1<sup>st</sup> Amendment Right not to be Retaliated against For Filing grievances and a lawsuit against Thompson. This occurred on the above said date when at 1:35pm she opened up the Back door to where I was getting ready to practice my Religion and ordered me that I had 15 min to read the weekly mandatory Summa reading and to pray then I must leave. I told her they have not run line movement yet and everyone's not here yet. She said, they can read it when they arrive. On said date the weekly reading was 7 pages long and we must read it together after the mandatory Summa Prayer that is a congregational prayer that everyone must do and attend at the same time and because of Thompson's Direct Order the 4 of us was forced to pray without everyone and the other 3 Brothers said they felt threatened and intimidated and left after

## AFFIDAVIT OF

On Friday October 18<sup>th</sup> 2019, during the N.O.I. Inmate Prayer Service at approx. 1:35pm Chaplain Karuna Thompson opened the back door to where the NO1 Prayer Service is held and ordered me and 3 other inmates to leave in 15 min. I informed her that line movement has not been called yet and everyone is not here yet. She replied they can read it (weekly mandatory NO1 reading during Inmate) when they arrive. That day it was 7 pages and 15 min. was not long enough to read it and to pray first. Even though everyone was not present the 4 of us prayed and the other 3 Brothers left and said that 15 min. is not enough time to read the weekly mandatory reading. Friday Inmate Prayer is mandatory for everyone to pray at the same time. I stayed and began reading and shortly thereafter another Brother came and we began reading it. We didn't even get half way through when Chaplain Dennis Stalhnacker came and opened the hallway door at approx. 1:55pm and

I went to the bathroom for approx. 10 min and came out and learned that line movement was not even called yet. I went in the library because they were finished praying, but were still in service. I asked a couple of Brothers did any Chaplain order ya'll to leave in 15 min they said "no." So I stayed until approx. 2:20pm and some of them were still in service when I left. The next week on Friday October 25<sup>th</sup> 2019, Thompson was not in the Chapel and Chaplain Stallmaker did not threaten us by ordering us to leave in 15 min and only 1 Brother stayed because the rest of the Brothers heard what occurred on Oct. 18<sup>th</sup> 2019, and was intimidated that we would be

ordered to leave in 15 min. again. On the morning of Saturday Oct. 26<sup>th</sup>, 2019, I was on the Education/Chapel Floor in the Computer lab and seen 4 Jewish inmates in their prayer service and they left approx. 9:56-10:00am and their Prayer Service was in the same position that I was in on Oct. 18<sup>th</sup> during the NO1 Prayer Service because it was 4 of them and they did not have a volunteer present and was reading their religious materials and Prayed. Chaplain Dennis Stalhammer was in the Chapel area also. The only difference is that their Jewish and was practicing Judaism and I'm Muslim and was practicing Islam. This is further proof not only of the continuation of retaliation by Thompson against me and the fact that I'm swinging but that Thompson told Stalhammer to order ~~me to leave~~ the NO1 Prayer Service to end on Oct. 18<sup>th</sup> because the Sunni and Jewish Prayer Services were not ordered to end early.

Dear Damien Douglas,

This letter is in response to your second-level Grievance Appeal, #OSP 2019 011 002AA, in which you claim you were treated unfairly by the OSP chaplains when you were asked to leave the chapel area.

I have reviewed your appeal, as well as all prior documentation relating to this grievance. I have found that the chaplains acted appropriately and even allowed you to stay for over 15 minutes to finish your Jummah Prayer even though volunteer staff and chaplains heard you speaking loudly and using foul language. Chaplain Stahlnecker reports that this is not the first time you have exhibited this type of behavior in the chapel. My expectation is that the chapel area is reserved for quiet, reverant and respectful behaviors by all who attend it's functions.

In regards to litigation holds and camera views, you would need to go through your institution security administration to make such a request.

Thank you for addressing your concerns appropriately. This concludes the grievance review process for this matter.

Sincerely,

Daryl Borello  
Administrator

I'm appealing Young's appeal response because he back's up Stallmecker's & Thompson's lie that I was being loud & using vulgar language as I & another AIC were entering the room where Summ Prayer is held on Friday Oct. 18<sup>th</sup>, 2019, causing the next day volunteer to ask me to "please be quiet". In truth, on said date none of the above occurred and no volunteer never has asked me to be quiet on said date or any other days. ~~I'm dropping this in the grievance Box on 2.6.20 @ approx. 3:00pm.~~

Dear Mr. Douglas:

This letter is in response to your first level Grievance Appeal OSP\_2019\_11\_002A, in which you claim you are being treated unfairly by the chaplains.

I have reviewed your appeal, as well as all prior documentation relating to the grievance. On this occasion, the Adults in Custody (AICs) at Jummah Prayer were being loud and using inappropriate language. Both Chaplain Stahlnecker and Chaplain Thompson, from their respective offices, could hear loud voices coming from the room. I have contacted both chaplains and they confirm the AICs were being disruptive by being loud and using foul language. I have received reports that volunteers in the rooms nearby stated that the group has been loud and they have asked the group to quiet down. This type of behavior is not permitted in the chapel area. It was appropriate for the chaplains to shorten the service time due to AICs behavior.

According to OAR 291-143-0130 **Restriction of Religious Activity/Items**: An inmate's participation in approved religious activities and possession of approved religious items may be restricted by the Department of Corrections when deemed necessary to maintain facility security, safety, health and order, or to further inmate rehabilitation or other penological interest, consistent with applicable legal standards. At the chapel, it is our expectation that all AICs show respectful behavior and respect the space of others. AICs can be removed from service if this inappropriate behavior continues.

Thank you for using the administrative process to address your concerns.

I'm appealing Chaplain Stahlnecker's grievance response because it's full of lies where he's alleging that I Disrespected Islam by being "very loud and using vulgar language" as I went into the room for Summa Prayer at 1:00pm and that "The volunteer in the room next door went to the room and politely asked Mr. Douglas and the other AIC to please be quiet." The Chapel's video footage on Oct. 18<sup>th</sup>, 2019, at approx. 1:25pm from the hallway and room cameras will show that I was by myself as I was in the hallway and entering the room where Summa Prayer is held. More importantly, the video will prove that no volunteer next door came and told me to please be quiet. No volunteer or Chaplain has never asked me or warned me about extreme noise. Furthermore, Thompson knows me and knows that I've never been loud or <sup>used</sup> vulgar language before or during Summa Prayer on Oct. 18<sup>th</sup>, 2019, or any other Summa Prayer Service not only because I lead the prayer, but it's a sin to do such before or during Summa Prayer in Islam.

List, in detail, action(s) taken. (What action was taken? Was the action what the inmate requested? If not, why? Who took the action? When was the action taken – date/time?)

On October 18<sup>th</sup> at some time after 1300 hrs, Mr. Douglas and one other Adult in custody went into their assigned room to do their Jumma Prayer. They were the only people in this room. Mr. Douglas and the other AIC were being very loud and using vulgar language as they went into their room. The volunteer in the room next door went to the room and politely asked Mr. Douglas and the other AIC to please be quiet. It should be mentioned this has happened many times in the past on numerous occasions, and Mr. Douglas was warned about extreme noise. On this occasion, Chaplain Thompson saw what happened, and told Mr. Douglas and the other AIC that they had 15 minutes to complete their prayer time. It should be mentioned that they were actually given more than 15 minutes to read their sermon before I (Chaplain Stahlnecker) let them know their time was up. If Mr. Douglas continues to be loud and disruptive in his chapel service, he will be escorted out of the chapel area.

I seen the Sunni Muslim Brothers praying so I asked 40 Panther if I can wait ~~in the~~ by his desk until their finished praying because their service is held in the library where the NO1 storage closet is, he said yes, 10 min. later they were finished praying so I entered and asked them did any Chaplins order any of you to leave in 15 min. they said "No." I stay approx. 10 min. going through the NO1 Storage Closet and when I left they were still in service at approx. 2:20pm. On the morning of Oct. 26th 2019, I was on the education/Chapel/Floor for my College Computer job and seen 4 Jewish inmates in their prayer service and they stayed for the duration. I believe Thompson told Stahlwecker to order me to leave the NO1 Prayer Service because he did not say anything to me during Prayer Service on Oct. 25th 2019. I'm officially informing OSP to put a litigation hold on the above video footage of the formal event.

Describe what action you want taken to resolve the grievance. (How can the problem be solved?)

#### Initial Appeal - Returned for Correction(s)

**Cell:** OSP:E-432

**Re:** Non-Medical# OSP\_2019\_11\_002

The initial grievance appeal you submitted is being returned to you due to non-compliance with the Department of Corrections (DOC) Rule #109 (Grievance Review System) for the following reason(s):

No new information may be submitted with the appeal unless the information was unavailable to the AIC at the time the original grievance was filed or if the initial grievance response or initial appeal response noted that the information was missing and the submitted information is directly related to the alleged issue or incident being grieved.

An AIC may only submit supporting documentation if it directly relates to the incident or issue being grieved, such as program failures, AIC communications, etc.

The attached three-page affidavit does not fit the grievance rules guidelines for supporting documents and was available prior to filing the initial grievance. The supporting documents are not to be in place of the narrative that should be solely presented on the department grievance and appeals forms. Please provide an appeal without documents that were available prior to the initial grievance filing and where the appeal and grievance forms are the only documents that carry the narrative of the grieved issue. Acceptable supporting documents would be canteen receipts, AIC communications between staff and AIC, program fails, newsletters, etc.

#### 291-109-0225 Grievance and Appeals General Processing Standards

##### (2) Grievances and grievance appeals returned for correction:

(a) An AIC may elect to resubmit a grievance or grievance appeal that has been returned for correction to the AIC because it does not comply with these rules.

(c) If rewritten, the return receipt and original grievance or grievance appeal must also be attached.

If you have any questions regarding your initial grievance appeal, please refer to the Department of Corrections Administrative Rule "Grievance Review System" tab #109 located in the legal library or kyte your institution Grievance Coordinator.

## AFFIDAVIT OF

Dameion Douglas

On Friday October 18<sup>th</sup>, 2019, during the N.O.I. Summer Prayer Service at approx 1:35pm Chaplain Karvon Thompson opened the back door to where the NO1 Prayer Service is held and ordered me and 3 other inmates to leave in 15 min. I informed her that line movement has not been called yet and everyone is not here yet. She replied they can read it (weekly mandatory NO1 reading during Summer) when they arrive. That day it was 7 pages and 15 min. was not long enough to read it and to pray first. Even though everyone was not present the 4 of us prayed and the other 3 Brothers left and said that 15 min. is not enough time to read the weekly mandatory reading. Friday Summer Prayer is mandatory for everyone to pray at the same time. I stayed and began reading and shortly thereafter another Brother came and we began reading it. We didn't even get half way through when Chaplain Dennis Stallnecker came and opened the hallway door at approx 1:55pm and

ordered us to leave. As I was leaving, I saw the Sunni Muslims were praying in the Chapel/library so I asked CPh. Panther and asked him could I wait for the Sunni Brothers to finish praying so I can access the NOI closet in the library he said yes. I went to the bathroom for approx. 10 min and came out and learned that line movement was not even called yet. I went in the library because they were finished praying, but were still in service. I asked a couple of Brothers did any Chaplain order you'll to leave in 15 min they said no. So I stayed until approx 2:20pm and some of them were still in service when I left. The next week on Friday October 25<sup>th</sup> 2019, Thompson was not in the Chapel and Chaplain Stallmacker did not threaten us by ordering us to leave in 15 min and only 1 Brother stayed because the rest of the Brothers heard what occurred on Oct. 18<sup>th</sup> 2019, and was intimidated that we would be

ordered to leave in 15 min. again. On the morning of Saturday Oct. 26<sup>th</sup>, 2019, I was on the Education/Chapel floor in the Computer lab and seen 4 Jewish inmates in their prayer service and they left approx. 9:56-10:00am and their Prayer Service was in the same position that I was in on Oct. 18<sup>th</sup> during the NOI Prayer Service because it was 4 of them and they did not have a volunteer present and was reading their religious materials and Prayed. Chaplain Dennis Stahlbaker was in the Chapel area also. The only difference is that their Jewish and was practicing Judaism and I'm Muslim and was practicing Islam. This is further proof not only of the continuation of retaliation by Thompson against me and the fact that I'm seeing her but that Thompson told Stahlbaker to order ~~most of the~~ the NOI Prayer Service to end on Oct. 15<sup>th</sup> because the Sunni and Jewish Prayer Services were not ordered to end early.

## GRIEVANCE RESPONSE FORM

List, in detail, action(s) taken. (What action was taken? Was the action what the inmate requested? If not, why? Who took the action? When was the action taken -- date/time?)

On October 18<sup>th</sup> at some time after 1300 hrs, Mr. Douglas and one other Adult in custody went into their assigned room to do their Jumma Prayer. They were the only people in this room. Mr. Douglas and the other AIC were being very loud and using vulgar language as they went into their room. The volunteer in the room next door went to the room and politely asked Mr. Douglas and the other AIC to please be quiet. It should be mentioned this has happened many times in the past on numerous occasions, and Mr. Douglas was warned about extreme noise. On this occasion, Chaplain Thompson saw what happened, and told Mr. Douglas and the other AIC that they had 15 minutes to complete their prayer time. It should be mentioned that they were actually given more than 15 minutes to read their sermon before I (Chaplain Stahlnecker) let them know their time was up. If Mr. Douglas continues to be loud and disruptive in his chapel service, he will be escorted out of the chapel area.
